EXPERIENCE

English & French Sales Representative · **Pinterest (via Accenture)** — Aug 2026 – Present · Dublin

- Hunt net-new business across independent agencies and SMB advertisers in English- and French-speaking European markets, owning the full cycle from prospecting and qualification through discovery, proposal and close.
- Run multi-channel outbound (calls, email, LinkedIn) using Salesforce, Cognism, ZoomInfo, Lusha and Pitchbook to map agencies, prioritise high-fit targets and build pipeline, with weekly Salesforce forecasts to sales leadership.
- Lead SPIN-based discovery calls and build ROI-led proposals that match Pinterest ad products to each advertiser's growth goals.

Coinbase · *promoted after 12 months* — Apr 2024 – Jan 2026 · Dublin

Customer Success Relationship Manager — Apr 2025 – Jan 2026

- Generated **€450K+** in upsell and cross-sell revenue by running systematic account audits and outbound value propositions across a book of 40+ high-value enterprise accounts.
- Grew account consumption **60%** and feature adoption **80%** by designing executive QBRs and proactive success plans that shortened time-to-value.
- Protected revenue with **86%** client retention, resolving 30–40 escalations per quarter alongside Legal, Compliance and Product to unblock deal sign-offs, across 120+ monthly touchpoints at 100% SLA compliance.

Customer Success Associate — Apr 2024 – Apr 2025

- Held a **4.6/5 CSAT** across 150+ monthly client interactions in English and French, covering 3 international regions.
- Built customer-education workflows for 100+ accounts, cutting escalation volume by 30 cases per quarter.

Account Manager & Sales Executive · **Snapchat (via Accenture)** — Oct 2021 – Apr 2024 · Dublin

- Grew client investment **20% YoY** across a **€3M+** annual portfolio of premium advertisers by aligning campaign strategy to each client's business goals.
- Generated **€400K** in net-new upsell revenue by mapping untapped cross-market expansion and running targeted outbound campaigns.
- Turned ROAS, CPM and CPA analysis into business cases that secured renewed and expanded budget commitments.
- Used CRM data to manage pipeline hygiene, spot outreach bottlenecks and deliver 100% quarterly forecast accuracy.

FOUNDER

Founder · Referlane (referlane.io) — 2026 – Present · Dublin

- Conceived, built and launched a referral platform where job seekers request voluntary, merit-based referrals from employees, with job listings, salary data, interview experiences and company reviews.
- Shipped the product end to end as a solo founder: product design, Supabase backend and security hardening, installable web app, brand and company LinkedIn page.
